What is Handmade E-Commerce?

The Concept

- Selling handmade products through online platforms
- Combines creativity + technology + entrepreneurship
- Reach customers without a physical shop
- Products personalised to customer preferences
- Instagram makes promotion and communication effortless

■ **Our Idea:** Affordable, attractive and personalised handmade products — quality gifts that bring smiles, with low investment and high creativity.

OUR BRAND STORY

Gift Glow Creations

Designed and crafted with passion—connecting customers through creativity and care.

Charms & Keychains

Handcrafted with love, unique for every customer

Gift Hampers

Customised for every occasion and celebration

Cute Accessories

Decorative items & adorable keepsakes

Personalised Gifts

Special orders with names, messages & custom designs

"Small handmade creations, made to make someone smile."

Products & Target Customers

What We Sell

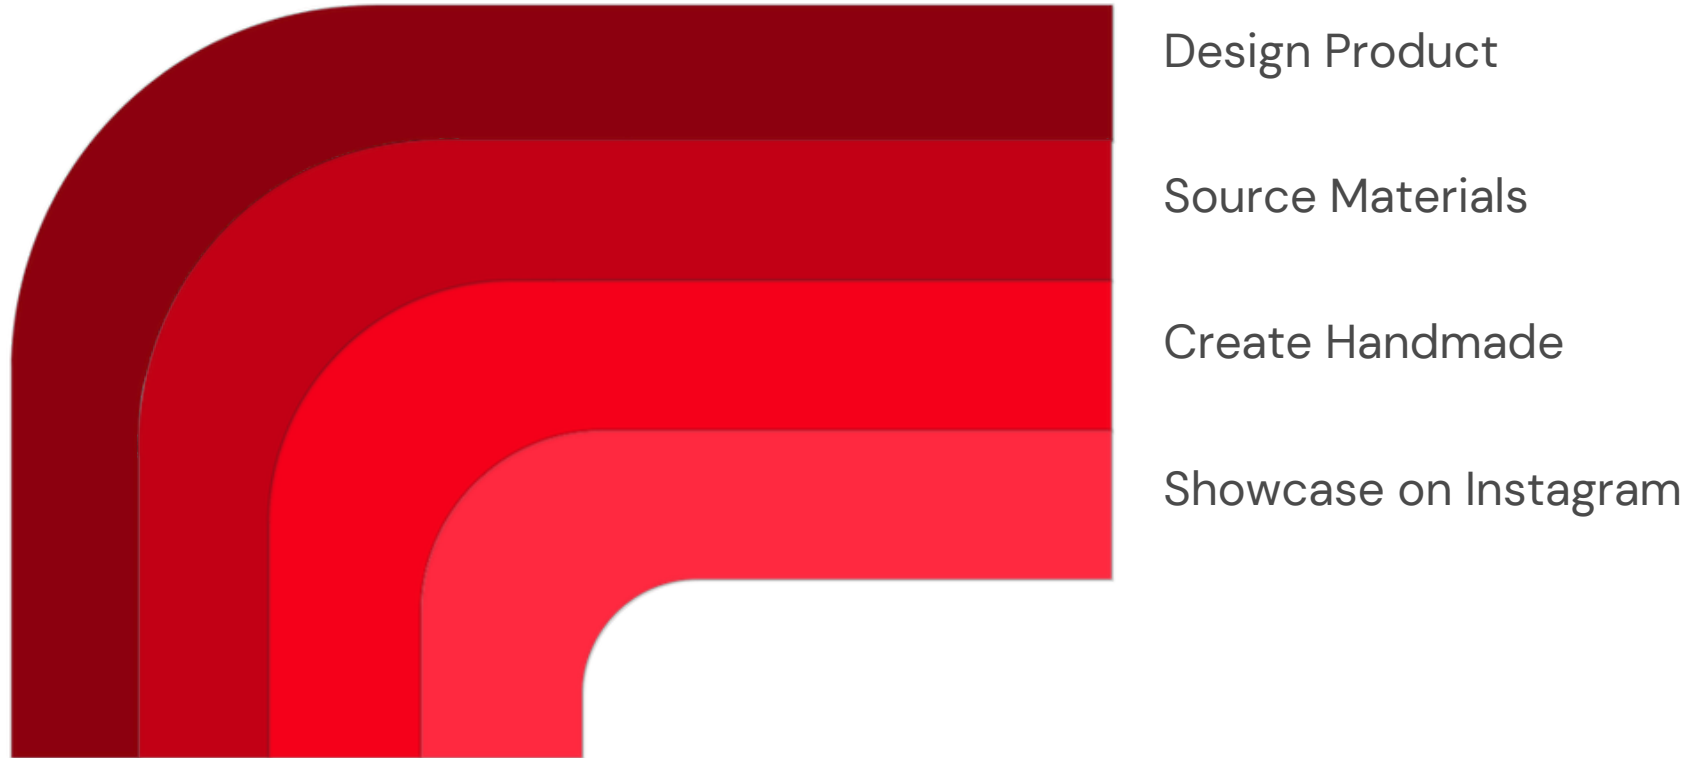

- Keychains & Handmade Charms
- Customised Gift Hampers
- Cute Decorative Items
- Occasion-Based Gifts
- Personalised Products (names, messages, custom designs)

Who We Target

- Teenagers & College Students
- Young Adults (18–35 years)
- People seeking affordable, unique gifts
- Birthday, Anniversary & Special-Occasion Shoppers

How Our Business Works

From a creative idea to a happy customer—our 8-step process keeps quality and care at the centre.

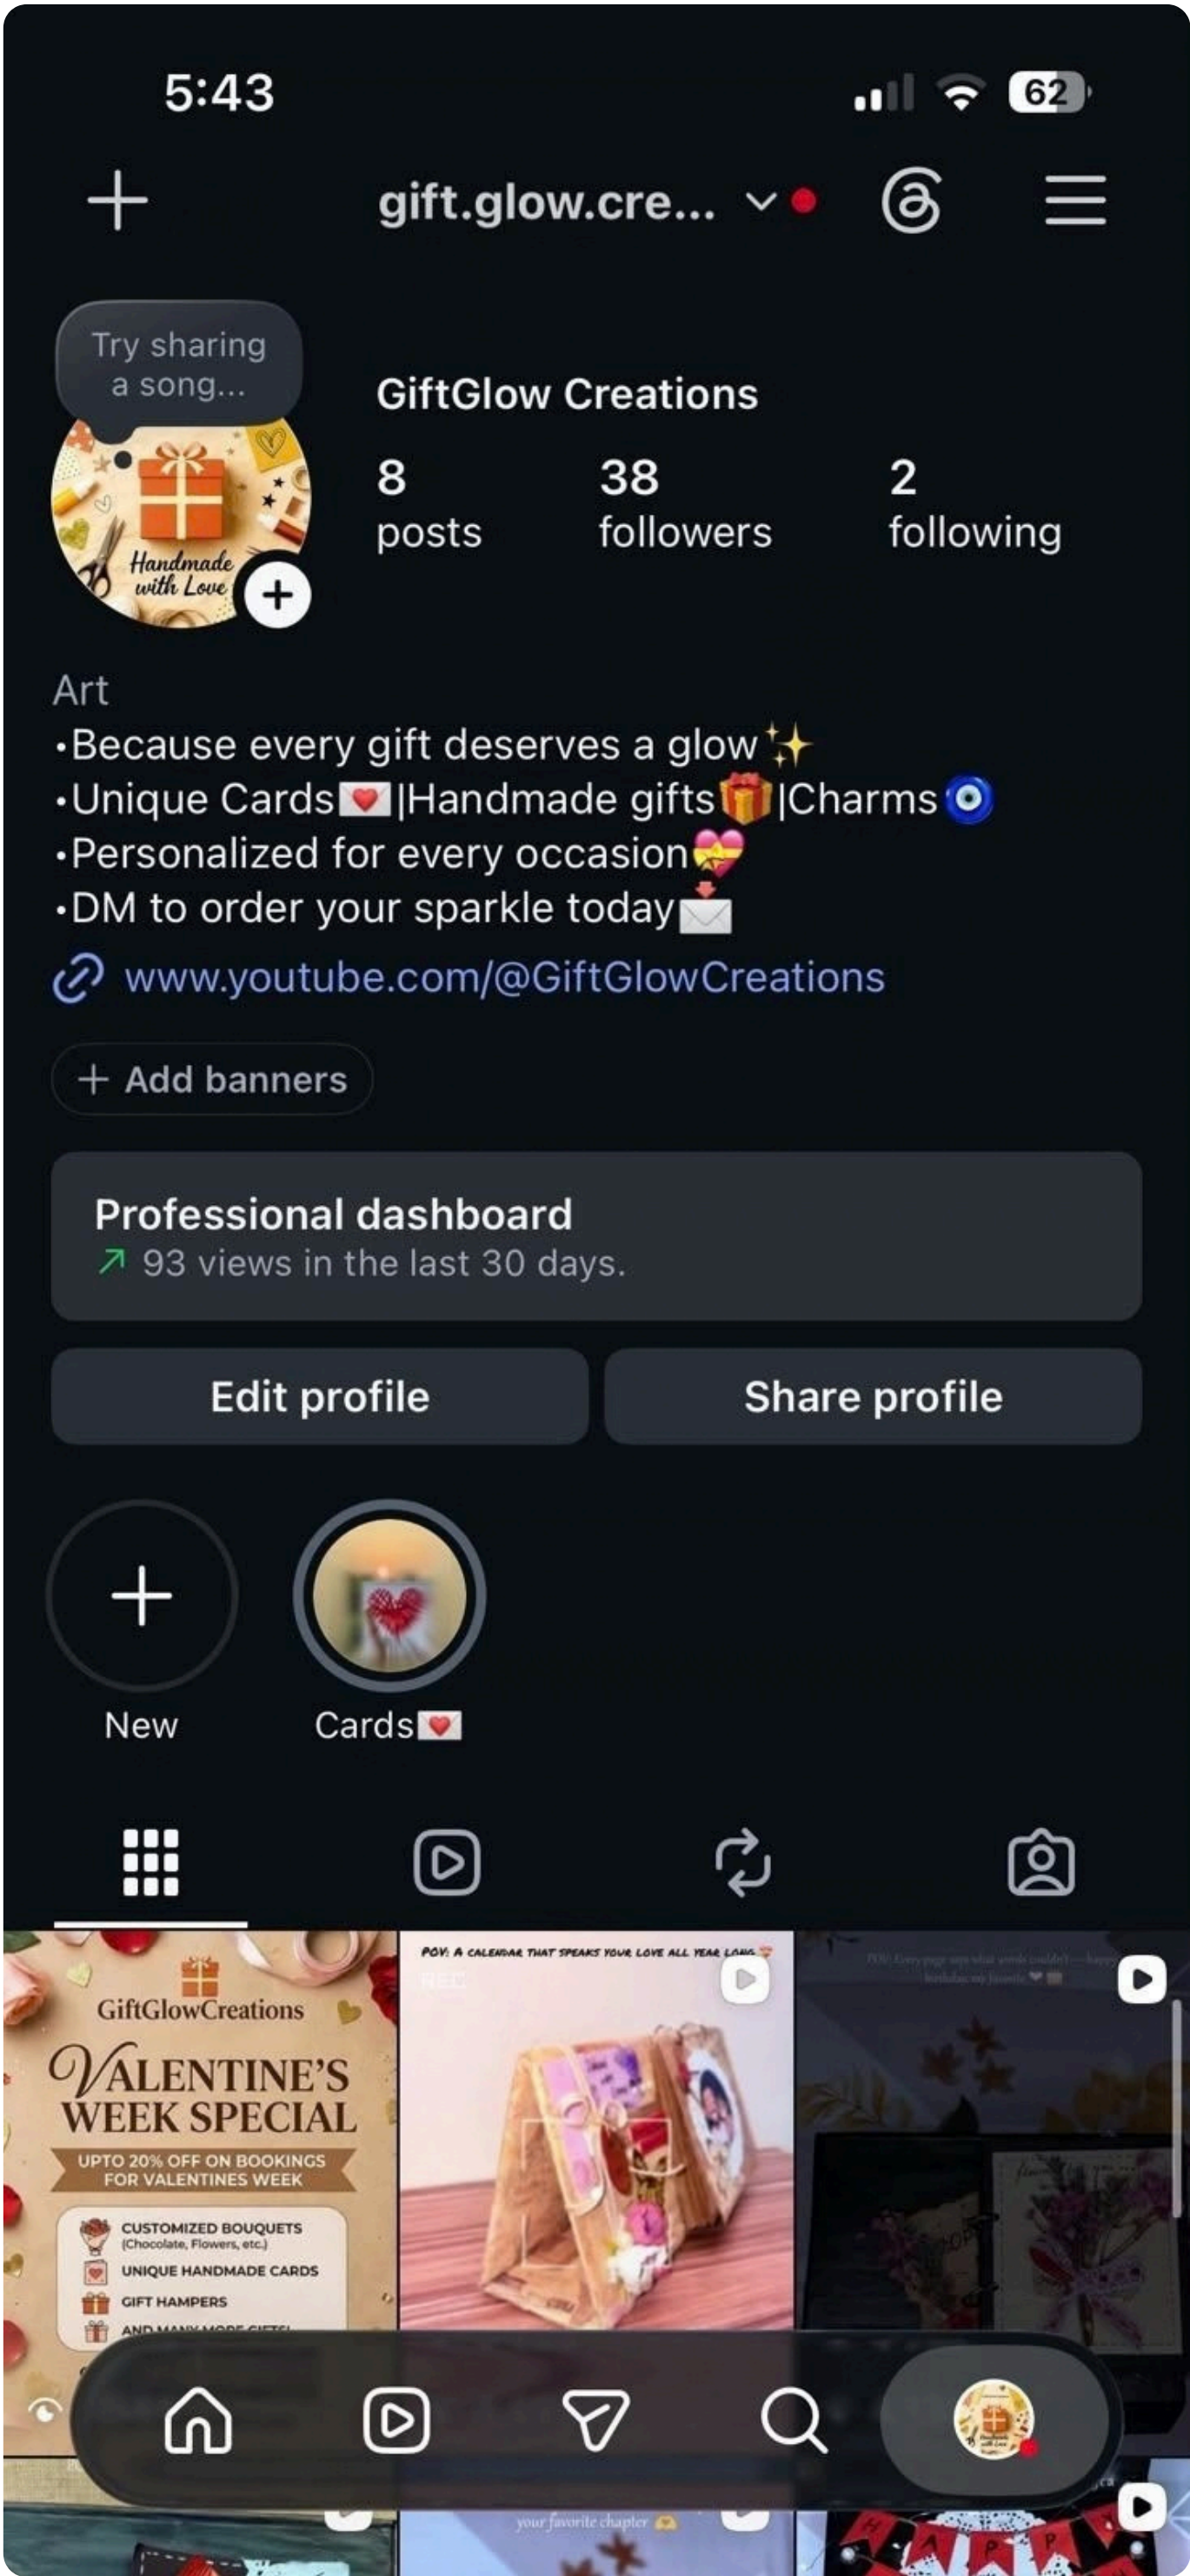

Our Instagram page works as our digital storefront, connecting us directly with customers.

Instagram Marketing Strategy

How We Promote

-  Attractive Product Photography
High-quality, well-lit product images that stop the scroll
-  Reels & Behind-the-Scenes
Videos showing the handmade process — building trust & excitement
-  Hashtags & Stories
#GiftGlowCreations
#HandmadeGifts — daily updates & special offers
-  Festive Promotions
Special deals for birthdays, anniversaries & festivals

Why Instagram?

- Visual platform perfect for handmade products
- Direct real-time interaction with customers
- Low cost — organic reach & word-of-mouth
- Built-in shopping features for seamless ordering

Cost Structure & Pricing

Main Business Costs

- Raw Materials (beads, ribbons, papers, flowers, etc.)
- Product-Making Cost (tools & supplies)
- Packaging Materials (boxes, tissue, ribbons, stickers)
- Delivery / Shipping Charges
- Marketing & Promotional Expenses

Pricing Formula

Selling Price = Total Cost + Profit Margin (30–50%)

Actual costs vary based on product type and customisation level.

₹80

Per unit average

₹40

Packaging + Other
Packaging ₹20+Other ₹20

₹120

Break-even point

₹190

₹180–200 per unit

₹70

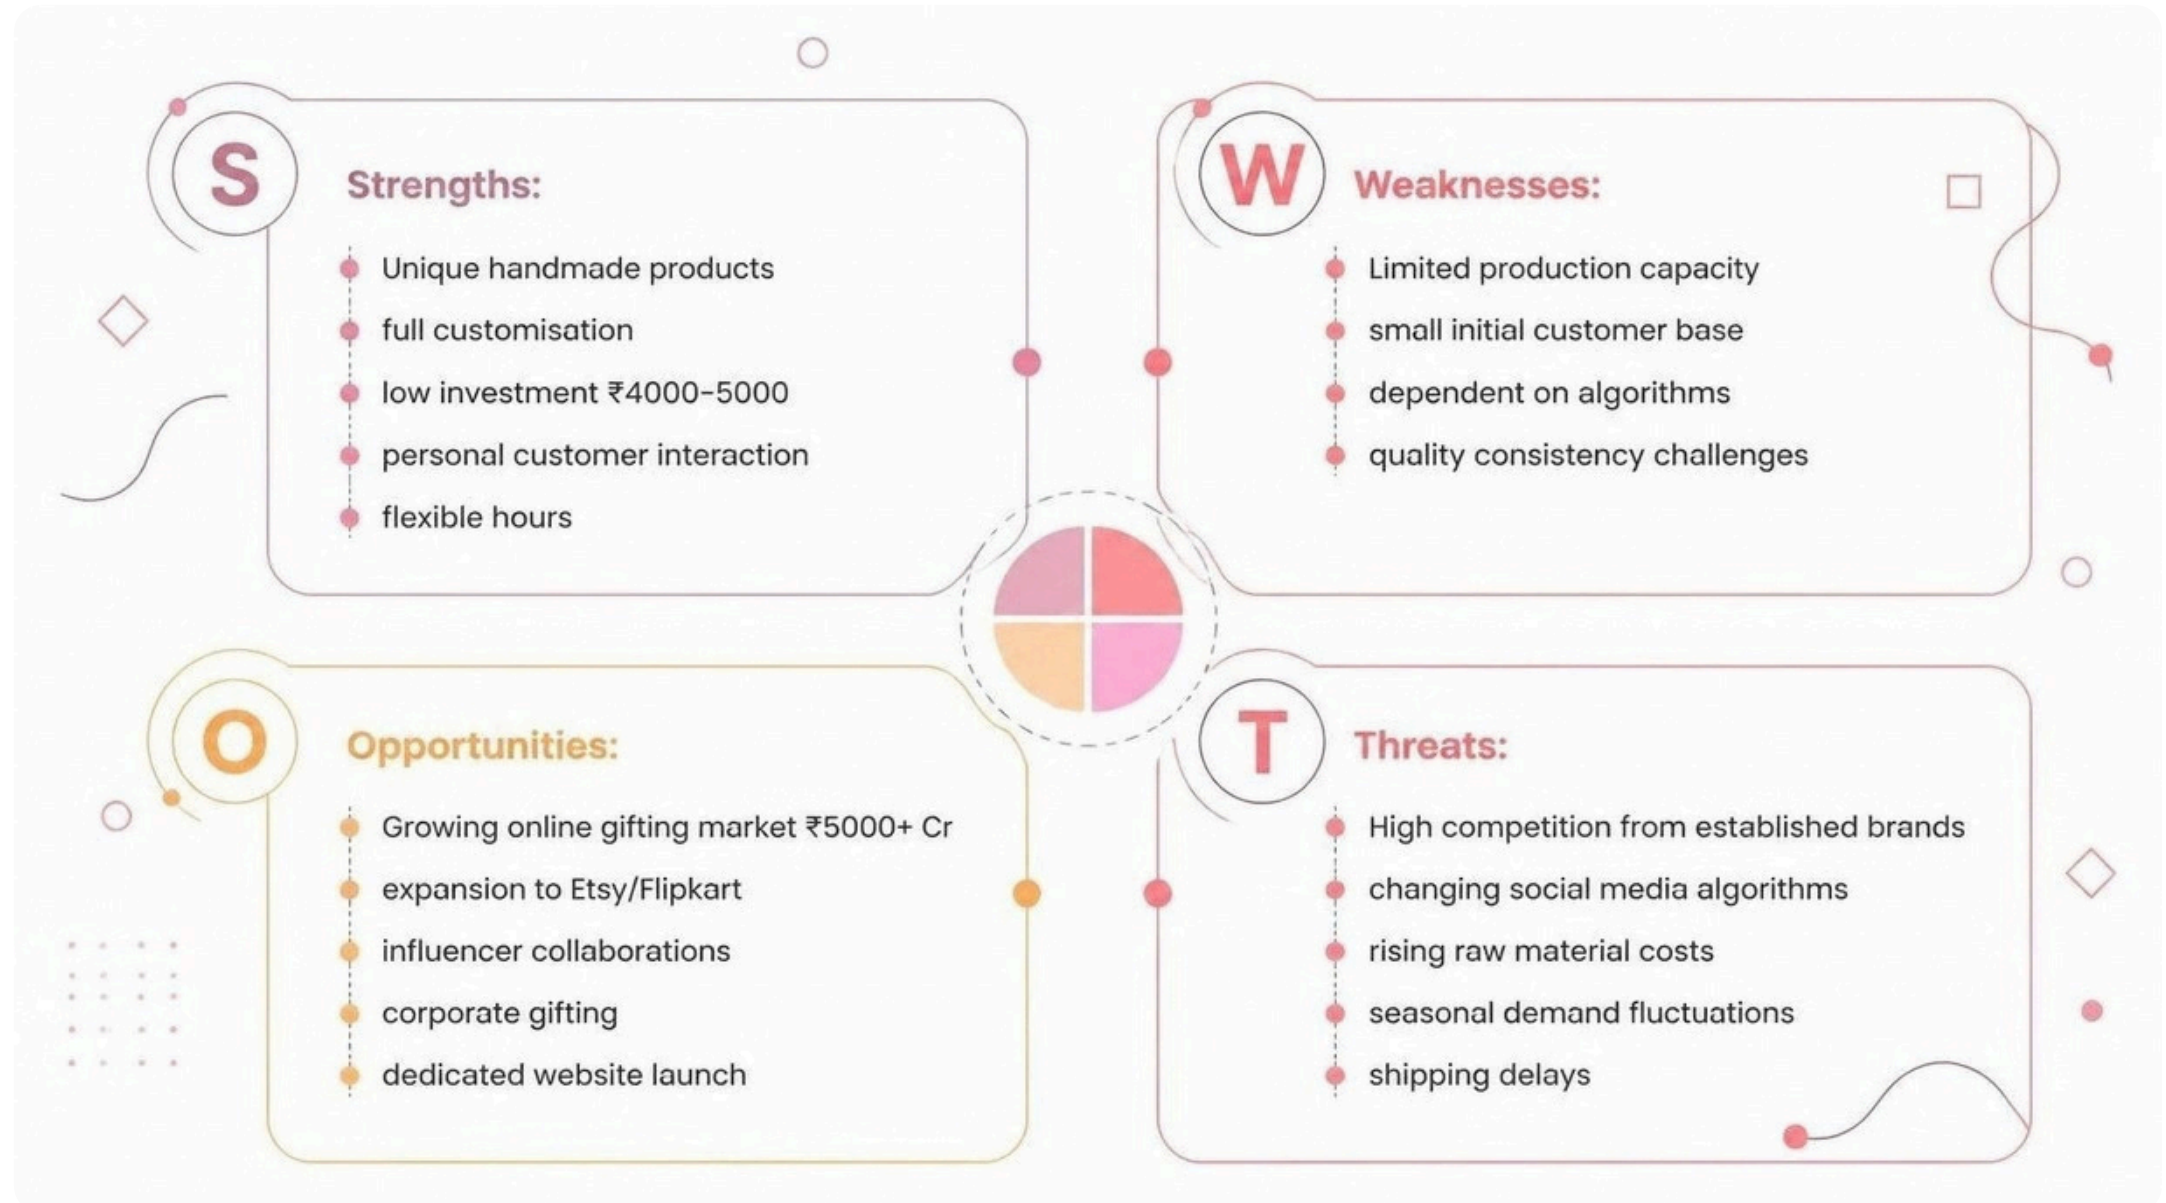

₹60–80 margin

5K

Min. Investment
₹4,000–5,000 startup

SWOT Analysis

A clear-eyed look at where Gift Glow Creations stands — and where it's headed.

Challenges & Future Plans

Getting initial customers and building trust

Competition from established brands & mass-produced items

Managing time between studies and business

Maintaining consistent quality across all products

Packaging, delivery logistics & scaling production

Future Plans

01

Expand Product Range

Seasonal items, corporate gifts & more customised products

02

Multi-Platform Presence

Launch on Etsy, Amazon Handmade & dedicated website

03

Influencer Collaborations

Partner with micro-influencers & content creators

04

Scale Up

Hire team members & achieve ₹ 1 Lakh+ monthly revenue within 1 year

Thank You!

"Made by hand, shared with heart."
